For food and drink shipments, it is a requirement that a health certificate, radiation analysis certificate or halal certificate (whichever is applicable) is submitted for legalisation along with the corresponding Arab-British Certificate of Origin and invoice.

Health certificates, radiation analysis certificates, halal certificates or any other certificates relating to food/drink safety, cannot be submitted for legalisation on their own. They must accompany their corresponding Arab-British Certificate of Origin and invoice, and all three documents are to be legalised.
